

THE BIGGEST TITAN IN THE SERIES

Well respected for its power and torque in a sleek, low profile design. The TITAN96 8-foot rider delivers an incredibly smooth finish while providing optimum operator comfort. Lower profile design gives the operator a better feel and sightline of the slab. Blade speeds of 180 RPM can be reached with this machine and it comes standard with Dual Position Steering.

- 6" lower to the ground
- 19" height from bottom of foot to seat
- LED lights in front and rear
- 12V USB charging port and cup holder
- Low profile design
- Heavy duty gearbox
- Multiple engine selection
- Weight plate add-on (add up to 225lbs)
- Compact transport system
- Lift-off front panel for easy maintenance
- Under seat safety switch
- Interchangeable steering positions
- Grizzly Blades included
- Greater RPM (Up to 180 RPM with select engines)
- Four lift points, in addition to a single lift hook under the seat.
- Included toolbox
